Dear Officers and Members of the Kiryat Ono Lions Club,

Congratulations on earning the Membership Satisfaction Award for engaging and involving your club members in meaningful service. Membership satisfaction and retention is important. Because your club members feel welcome, comfortable and are involved in community service, they have remained part of your Lions club.

Membership satisfaction is achieved when a Lions club meets or exceeds the expectations of its members. By keeping members satisfied and engaged in service, your club is able to remain healthy, vital and able to serve.

Thank you for your commitment to bringing dignity, harmony and humanity to your club members and the Lions family. Together we can share more, communicate more, accomplish more and provide more service.

Sincerely,

山田 實純
